

One World International School Newsletter

From the Head of School

Welcome to our Christmas Issue. As an international school, we are excited to be celebrating Christmas along with many others in Singapore and around the world. I hope you can attend our event and I look forward to seeing many of you there.

Christmas celebration

Our Christmas celebration will start at 1:00pm on Thursday 9th December. Please note that this is earlier than the time published in the previous newsletter. We are raising funds for the Friends of Changi General Hospital, a local charity that does wonderful work in supporting after care for needy patients, including young mothers and the elderly. Some of our students will present the funds raised after the holidays. Following the opening ceremony, there will then be an opportunity to visit the stalls at our charity bazaar. You will be able to buy baked goods, crafts the children have made, and second hand books. If you have any books you would like to donate, please put them in our back office by Thursday morning. At 1:50 we will begin the programme of entertainment where our students will perform songs and demonstrate their capoeira and speech and drama skills. Our performance will finish at approximately 2:40pm when students will return to their classrooms before following the usual dismissal procedure.
